A photograph of an industrial control panel. The panel is dark grey or black and has a transparent cover. Inside, a TRACO Industrial Power Supply is visible, with a label that includes the text "TRACO POWER Industrial Power Supply TEL: 120-1154". Below the power supply is a green digital display showing the number "5.10". To the left of the display is a circular button labeled "FUSE" and a small red indicator light. To the right is a rotary knob. The panel is surrounded by various cables, including blue, green, and white ones, some of which are bundled in corrugated tubing. The background shows a green metal structure and a concrete floor.

Vibration frequency - 51 Hz

Supply pressure - 3bar
