

The background of the slide is a watercolor painting of a landscape. In the foreground, there is a small, rustic hut with a thick, brown thatched roof. The hut is situated on a patch of green grass. Behind the hut, the landscape opens up into a wide, flat area with scattered trees and shrubs. In the distance, there are rolling hills and mountains under a pale, hazy sky. The overall style is soft and painterly, characteristic of watercolor.

Экскурсия по выставке
«Василий Поленов»

Recently I visited online exhibition by Vasily Polenov .
My guides were Bialik Valentina Moiseeva.
The main purpose of this the tour is designed to introduce the audience to the
art of impressionism.

Paintings that were told about:

Vasily Dmitrievich Polenov - a Fire in dry Cobra

Vasily Dmitrievich Polenov . porch

Vasily Dmitrievich Polenov . healing the daughter of Jairus

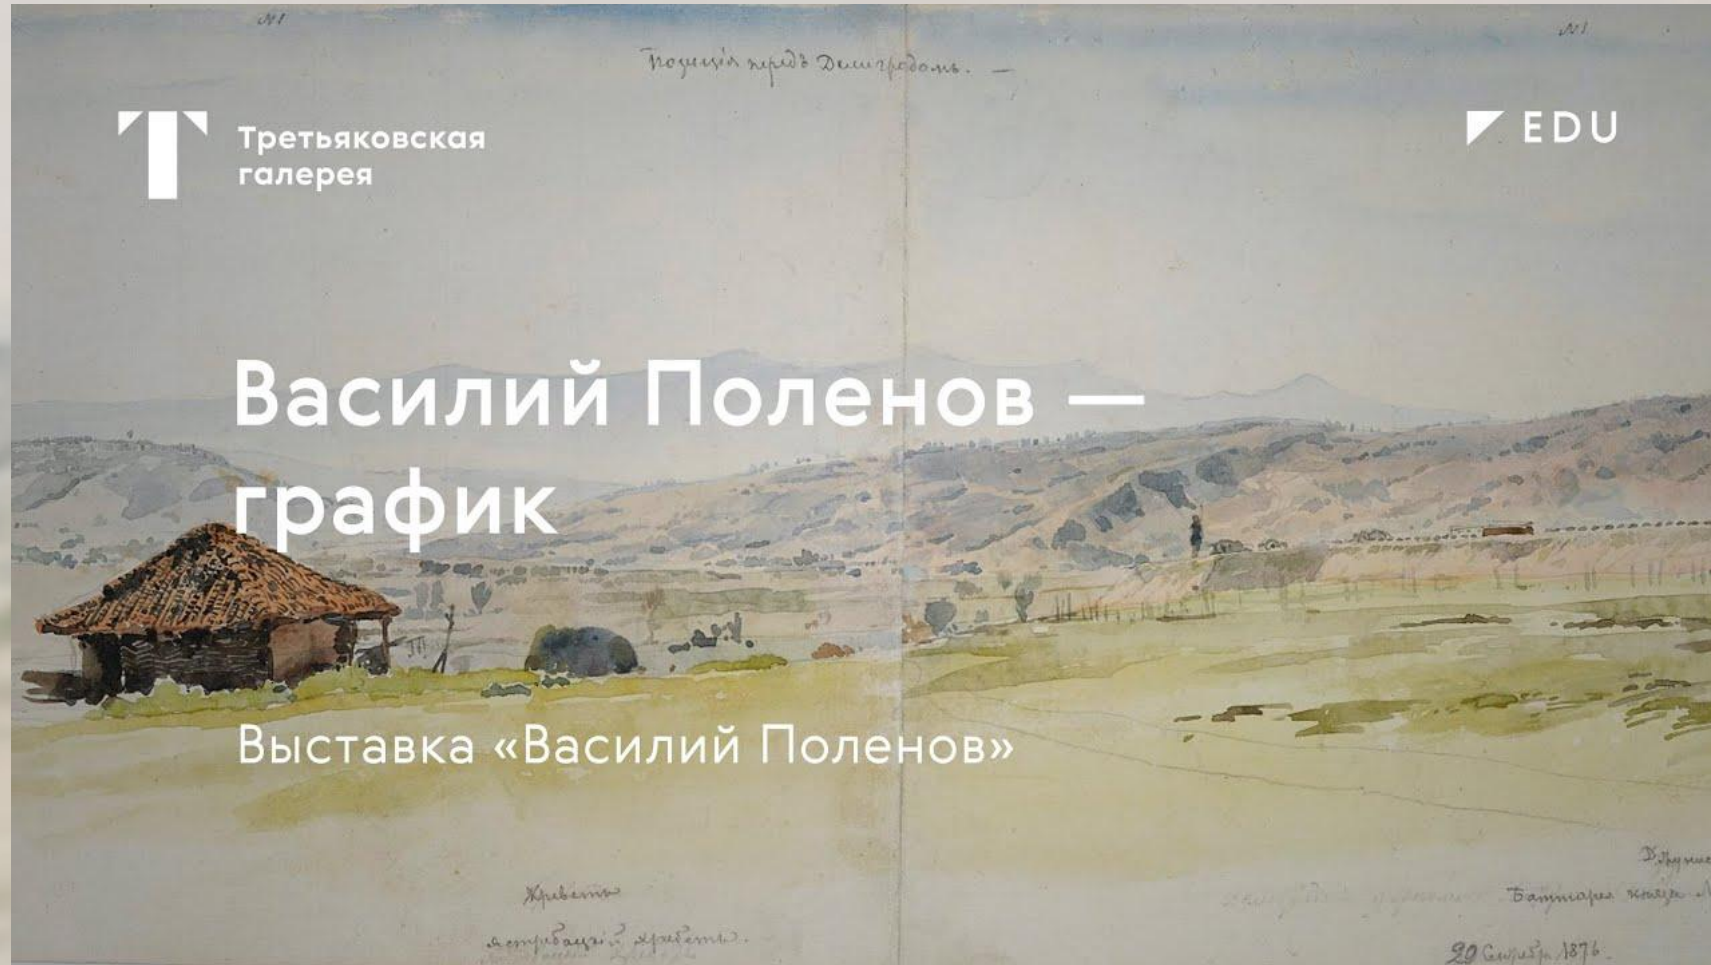

Vasily Dmitrievich Polenov . Dragonfly " summer red sang"

Vasily Dmitrievich Polenov . Granny's garden

In my opinion this tour would be interesting to everybody who likes art. It is suitable for the ordinary spectators and for people who have been involved in art for a long time.
