

This way, Biscuit.
It's time to go camping.
Woof, woof!

We have our tent.
Woof!

4

We have our flashlight
and blankets, too.
Woof, woof!

5

Silly puppy!
No tugging.

6

It's time to go camping.
Woof!

7

Wait, Biscuit.
What have you found?
Woof, woof!

Croak!
You found a frog, Biscuit.
Woof, woof!

Whoo-oo! Whoo-oo!
Funny puppy.
It's only the wind, Biscuit.

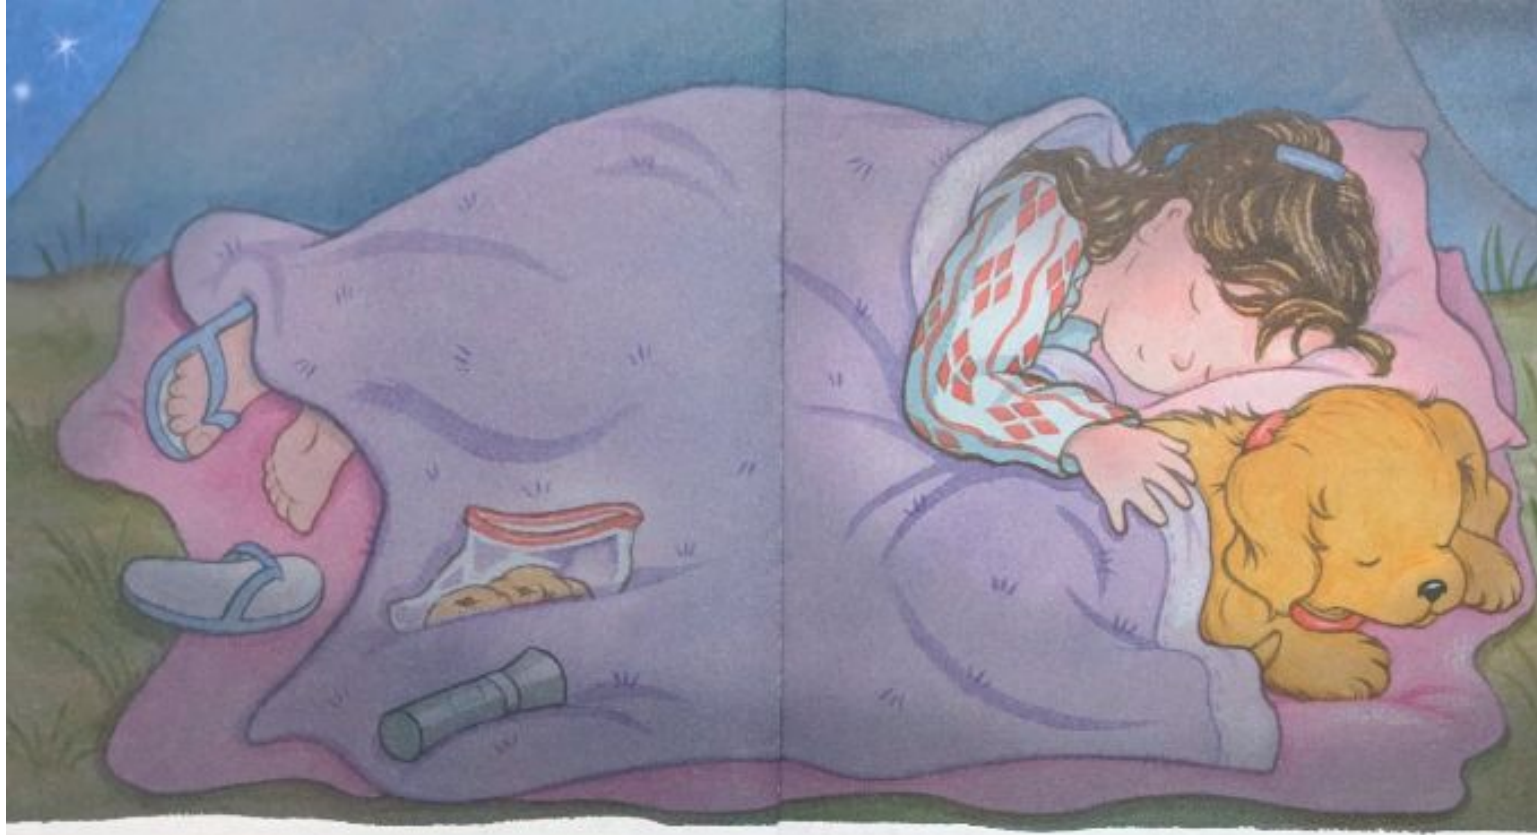

There are so many
new sights and sounds
when you go camping.
Woof!

Oh, Biscuit!
What have you found now?
Woof, woof!

Blink! Blink!
It's a firefly, Biscuit.
The firefly says
good night.

It's time for us to say
good night, too, Biscuit.

14

Curl up, Biscuit.
Woof, woof!

15

Crack! Crack!
Boom! Boom!

Oh no!
Here comes the rain!
How can we go camping now?

18

Woof, woof!
Woof, woof!
Biscuit! Wait for me!

19

Woof!
Smart puppy!

You found the perfect
place to go camping.

Blink! Blink!

22

Woof, woof!

23

Good night, Biscuit.
