FC ROSTOV VS BAYERN MUNCHEN

Rostov won against Bayern with a score of 3-2. No one expected this from Rostov because they were not the favorites of this match and also lost 5-0 in the first game

CSKA MOSCOW VS REAL MADRID

CSKA defeated Real Madrid at the Santiago Bernabeu - 3:0. This happened for the first time in the history of the Champions League - no one had ever humiliated the Royal Club on its field before. Kings! CSKA destroyed Real Madrid. And I don't care about the Europa League

SPARTAK MOSCOW VS NAPOLI

More than 30 years ago, Spartak created a small miracle. On November 7, 1990, Romantsev's team beat the formidable Napoli with the legendary Maradona on penalties in the second leg of the 1/8 finals of the 1990/1991 European Champions Cup.

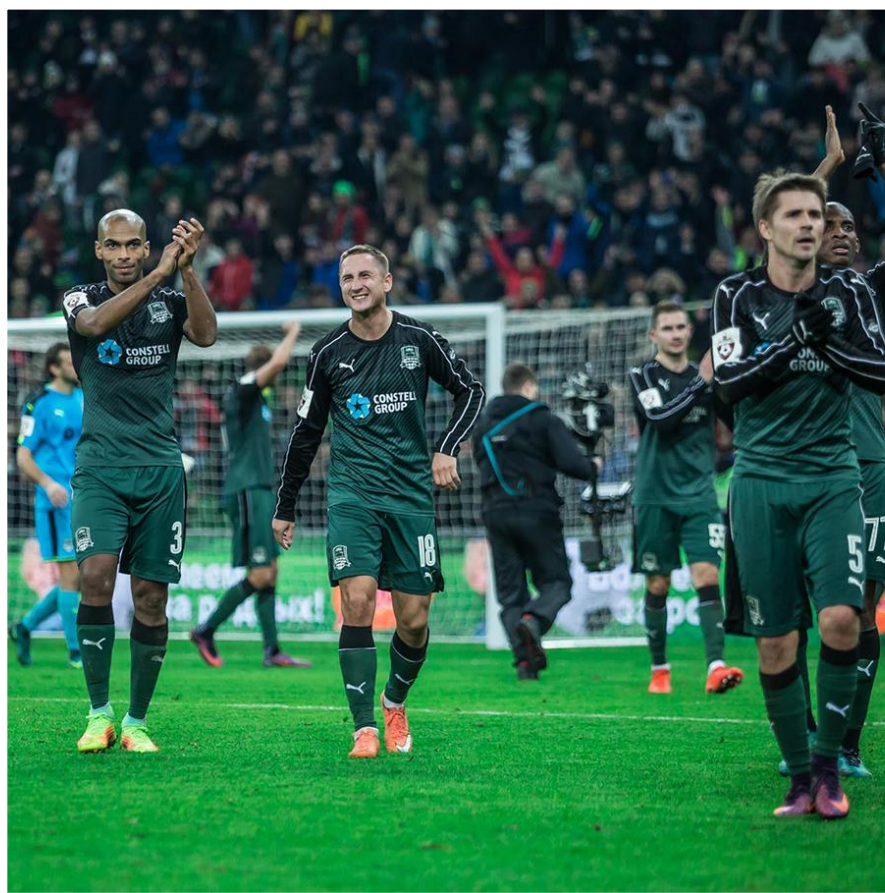

SPARTAK VS ARSENAL

More than 20 years ago, on November 22, 2000, in frosty Moscow, Spartak left no stone unturned from the London grandee in the opening match of the second group stage of the Champions League. It was the London Arsenal

RUBIN VS BARCELONA

- The victory of the modest Kazan Rubin over the legendary Barcelona Guardiola is a real shock. The team where the players who few people know played beat such players as Messi, Xavi, Iniesta, Valdez, Abidal and others. This is the match when words are superfluous.

KRASNODAR VS BORUSSIA DORTMUND

Krasnodar is certainly not like CSKA or Spartak, which sometimes leave no stone unturned from the grandes. But nevertheless, this did not prevent Krasnodar from beating Borussia Dortmund with a minimum score of 1-0. Pavel Mamaev scored the only goal from the penalty spot.

LOKOMOTIV VS INTER

On October 21, 2003, Lokomotiv played one of their best matches in the Champions League. The draw of the Champions League-2003/04 sent our team to the group to Arsenal, Inter and Dynamo Kyiv. The first two places were given in advance to the Italians with the British, and Lokomotiv with the Kievans predicted a fight for the third. The red-greens lost in Kiev and drew with the Londoners, so the match with Inter became the key. Failure could deprive the team of chances for something serious. Lokomotiv did not just score three points, but gave out one of the best matches in its European Cup history. Already in the second minute Loskov shot the top corner of the goal of Toldo, and in the second half Ashvetiya and Khokhlov brought the matter to a rout. It was this victory that played a decisive role in the overall success of the "railwaymen". The team was ahead of Inter in additional indicators and reached the Champions League playoffs.
