I was born and raised in the wonderful city of Ryazan. It is a very beautiful city. There are various museums, theaters and temples in our city.

In addition to the buildings of the Ryazan Kremlin, there are many cathedrals that are more beautiful and temples in our city, such as the Temple of John of Kronstadt, Nikolo-Yamskaya temple, Kazan Cathedral, the Temple of the Assumption of the Most Holy Theotokos.

And if people want to have fun, they can visit Drama Theater, Theater on Sobornaya, Puppet Theater, Ryazan State Regional Art Museum named after I.P. Pozhalostin, Museum-Estate of Academician I.P. Pavlova.

Ryazan is also known as the capital of the Airborne Forces.

Many famous people were born in Ryazan. Among them are the first Russian Nobel laureate Pavlov, the founder of cosmonautics Tsiolkovsky, biologist and breeder Michurin, poet Sergei Yesenin and many others.

In the center of our city there is "Ryazan Arbat" - Pochtovaya street.

There are also many beautiful parks in our city. The most beautiful of them are the Central Park of Culture and Leisure, the Memorial Park and the forest park.

There are many attractions in the Ryazan region too. These are the von Derviz Manor in Kiritsy, the S.A. Yesenin in Konstantinovo, Staraya Ryazan and others.
