

## Watershed School

Pavlova Kate ,  
Ogiyko Dasha

This school is situated in USA ,in Colorado.This school have program of Farm to Table.

Of course children study mathematic , English , and another subjects.This school is for children from 6 to 12 years.

Pupils don't seat all days in the classrooms. They walked in the forests and around rivers.

As for teaching , they help students to write songs , collect robots , to make videos.

**On the picture [Greg Bamford, Head of School](#)**

Jason Berv became the school 's Founding Head and Led the school during first seven years. In 2017 this school became the fifth school in Boulder Country to earn ACIS
