Colours, Materials and Lighting for Consultant Offices

I will have plenty of potted plants around my chair to add a touch of nature to the consultant rooms.

I will use the colours like green, teal, brown and grey in the consultant rooms for a sleek, contemporary look.

White designer office chair.

Teal floor lamp to add a dash of colour to the consultant office.

Lime green desk lamp.

White desk design to add to the minimal look.

Glavin II - An industrial Pinpoint light with ultra-modern, decorative pendant with advanced dual LED optics.

Quattrocento round recessed luminaire and Nady recessed uplighters available from Euro Lighting Ltd.

Hardwood white oak flooring to add a touch of nature. www.ace-wood.com

Shelton Corner Fabric Sofa is teal to add colour.

Griffin - Spotlight with two reflector options and simple adjustable beam angle. The pure and simple design complements all environments.

Pisano - Mini T36 fluorescent luminaires with prismatic diffuser for surface and suspended mounting. Low glare combined with high light output.

Grey knit stool.
