Pe

Everybody likes to stay at home on cold winter days and to read books.

Travelling to beautiful city **leaves nobody cold.**

A lot of people think that St Petersburg is one of the most beautiful cities in the world. Its straight streets, wonderful palaces, green parks and squares leave nobody cold. But at the same time not so many people would like to move to St Petersburg and live

3. The climate

- situated on the banks of the Neva River near the Baltic Sea
- strong winds blow from the sea
- a lot of cold and rainy days
