- 7th\8th - EPICENTER 2016 - CIS Closed Q.
- 9th\16th - DreamHack Bucharest 2016 Closed Q.

Our team has the following roster:

- Dmytro 'jR' Chervak – team captain
- Pavel 'hutji' Lashkov
- Sergey 'keshandr' Nikishin
- Nikolai 'Mir' Bitiukov
- Leonid 'chopper' Vishniakov
- Alexander 'Lk-' Lemeshev – team manager

Team expectations:

After winning the european ESWC qualifier, we tried to practise as much as possible. After leaving the organisation our chances to attend the event look bleak, but all the members of a team are motivated to achieve new heights. We're focused on playing different big leagues qualifiers as we want to attend and win as many events as possible. The other goal for us is the CIS Minor towards the E-League major, which should take a place in November.
