Friends Forever

Michurova Maria
Grade 11

School № 1

Town Melenki

Teacher: Metelkina L.V.

Hello, everybody! Let's get acquainted.
My name is Masha.
My best friends are Veruka, Tiago, John and Sasha.
I'm not much of a singer
Still I always sing a lot,
I'm not much of a dancer
That's how I've recently thought.
I'm not much of an actress,
Though I've been acting not once,
I'm not much of a chess player,
Though I've won many games not by chance.

**I'm not much of a poet
That is why I seldom write,
The main thing: I'm not a pessimist
That is why my mood is almost always bright!
I'd like to tell you about an amazing friend
as much as I could.
It will further improve my wonderful mood.**

“Friendship
is the only
cement
that will
hold the
world together.”

Woodrow Wilson

Someone can think that my project will be about my peer but they will be mistaken. It will be about the man who is described by our English teacher in her online diary.

I wouldn't have such a huge interest in the language and I wouldn't have so many friends from different countries now if I hadn't made friends with such a wonderful person.

FRIENDSHIP is MAGIC

THE BEGINNING OF MAGIC

My elder sister's schoolmate wanted to improve his English and found a native speaker for that purpose in the social net Facebook.

Eugene and John became good friends and Zhenya invited him to Melenki.

Miracles happen!!! John came to our provincial town and found some more Russian friends here.

Our English teachers are among them.

All of us can describe John in 4 lines:

**Many-sided, helpful, honest
Cheerful, witty, wise and modest
Friendly, reliable, faithful, smart
With a considerate and loving heart."**

My sister really wanted to communicate with such a wonderful person, so she started exchanging letters with John.

The age difference was not noticeable, because John is so broad-minded and understanding! When he came to visit us, Nastya became an interpreter for the whole family and she really liked it.

Nastya is an interpreter now, and John was one of the reasons for choosing this profession.

When John arrived in Melenki, my family and I walked around the town with him. We took him to Russian villages, showed Russian banya, told about our traditions and served him Russian food. John made a strong impression on us and he liked us too, that is why he decided to come to Russia again.

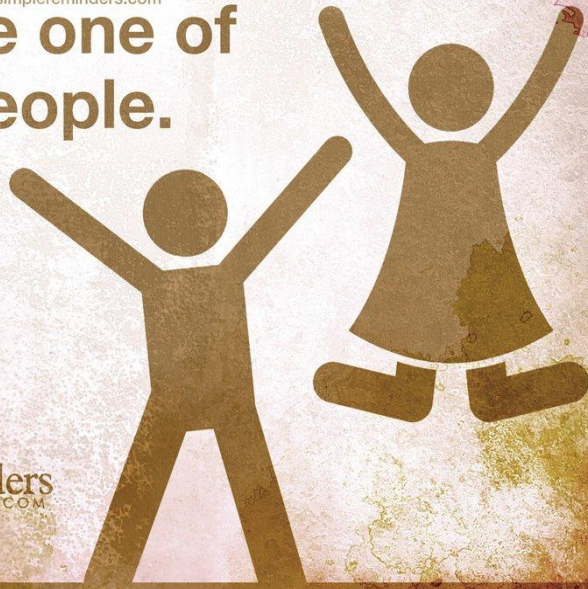

I was a small girl when John came to us for the first time and lived at our place. I only listened with wide open eyes how Nastya communicated with an Englishman. I spoke English little but I was proud to have beaten John in chess. In 3 years, during John's 2nd visit to Melenki, I spoke with him much more. As for his 3d visit, it was unforgettable!!!

**Some people make you
laugh a little louder,
smile a little brighter and
live life a little better.**

**John celebrated the 75th birthday in 2016.
We created a concert project for our
wonderful guest.**

**All students and teachers did much to make
the project a reality.
And we did it!**

**The hour of the concert flew like 5 minutes.
Here are a few tiny episodes from the
concert. [\(Video1\)](#)**

**Oh, how could I forget about that merry
dance!? [\(Video2\)](#)**

**And I was happy to receive a compliment
from John about my acting in the play. I
played the role of Goldilocks. [\(Video3\)](#)**

TRUE FRIENDSHIP
isn't about
BEING
inseparable
it's about being
SEPARATED
and nothing
changes

and as we go on.

we remember

ALL THE TIMES WE'VE HAD TOGETHER

and as our lives change

from whatever

WE WILL STILL BE

FRIENDS

FOREVER
