## For –and-against essays

For –and-against essays present the advantages and disadvantages of a topic. They consist of:

- An introduction -presenting the topic without giving the opinion.
- A main body in which you state the arguments for and against the issue in the separate paragraphs. Each argument is supported with justifications and examples.
- A conclusion giving your opinion. For –and-against essays are normally formal. Short sentences, colloquial expressions and idioms should be avoided.

They can be found in articles, in newspapers / magazines and in school assignments
